RE: Shipping Policy

We offer free freight on powder orders of 24 lbs. or more, shipped to and picked up at, **major Loomis Express depots**. The base charges are covered in the free shipping. The extra \$30.00 flat rate Haz-Mat fee is not covered as well as any additional surcharges applied to base freight charge, such as rural and residential delivery, ferry charges, additional handling and fuel.

Also, the free shipping is applied to the propellant only, freight charges will be applied to additional items ordered and shipped with the propellant boxed separately, such as brass casings, bullets, primers, loading tools, etc.

If there are any questions or concerns regarding our shipping policy please contact us by phone, fax or email
